

Community Partner Network

Direct Distribution and Third-Party Distribution Partners

Access to hygiene is foundational to health, school attendance, employment, and full participation in community life. This directory lists the community partners through which we reach neighbors across Massachusetts. Each organization below is a trusted point of access, chosen because people already know it, already trust it, and already turn to it.

Hygiene is not an add on to other services. It is infrastructure for dignity, health, and opportunity. Our partners make that infrastructure real in the places people already go.

How Partners Are Classified

Direct Distribution	An organization that receives hygiene products directly from Hope & Comfort and shares them with the people it serves.
Third-Party Distribution	An organization that receives our products from a direct distribution partner, extending reach further into the community.

Reach: 138 cities and towns across 13 counties — Barnstable • Berkshire • Bristol • Essex • Franklin • Hampden • Hampshire • Middlesex • Norfolk • Plymouth • Rockingham, NH • Suffolk • Worcester

Community Partner Directory

661 partner sites, listed alphabetically

Direct Distribution receives products directly from Hope & Comfort. **Third-Party Distribution** receives Hope & Comfort products from a direct distribution partner.
